Elsworth CofE VA Primary School

Award Level: Distinction

Focus topics:

Your greatest overall success:

Your greatest success was raising nearly £300 for Eco-charities, with pupils leading inspiring Eco-activities that will significantly increase awareness and action on vital Eco-issues. Well done!

We also loved...

- We loved how your pupils have embraced the Eco-Schools Marine topic by striving to eliminate single-use plastic water bottles, which will have a lasting positive effect on reducing school-generated waste and promoting ocean health.
- We were inspired by your school's creative display on the impact of plastics in the ocean, as it not only educated pupils but also encouraged them to become passionate advocates for marine conservation, resulting in wider community awareness.
- It was fantastic how your pupils undertook persuasive writing in English using 'The Great Kapok Tree', empowering them to connect Eco-topics with real-world action, and this will foster environmental advocacy and critical thinking skills across the school.
- We enjoyed finding out about your biodiversity initiative, particularly the Botanical Gardens visit, where pupils explored local and global flora—this hands-on learning will deepen pupils' appreciation for ecosystems and inspire stewardship for nature.
- We loved the way you involved families and the wider community through your sponsored competition and Earth Day article, reinforcing a whole-school and whole-village approach to Eco-education which ultimately spreads positive change far beyond the classroom.
- We were inspired by your school's focus on Global Citizenship, as mapping family origins and discussing global movement encourages empathy and a broader world view in pupils, which will nurture a more inclusive and environmentally aware generation. Great effort!
