It is lovely to see all our children back at school. They have all got back into their classroom routines and focused on their learning which is wonderful to observe.

This term, our Collective Worship focus is 'love'. Part of our bible verse 'love mercy' is more literally translated as pursue loving kindness. In Collective Worship our children will explore and reflect what loving others really means.

At the end of today's newsletter you will find dates of different events that are happening in school. Diary dates will be updated during the term.

We hope you have a wonderful weekend.

Fun in the snow!

On Tuesday 6th January, the children were welcomed back to school - after the Christmas holiday break - with a thin blanket of snow. They couldn't wait to get outside and morning breaktime was rather fun! Some children made snowballs and threw them around, while others tried their best to make snowmen using whatever natural materials they could find for eyes, noses, buttons and arms (they were small but they looked good). We had lots of snow angels being made and other children simply enjoyed exploring what snow felt like to touch and play with.

What an exciting first day back to school!

Thank you to those parents who regularly park at the local shop and Frank's Farm.

If you need to park along Broad End please be courteous to other drivers and local residents. Please refrain from parking across residents driveways.

Thank you.

Open every Thursday at break time. All items 50p.

Please remember to label your child's school uniform.

Thank you.
