

Issue 15a - Friday 22nd May

Eaton Vale Extra!

'...act justly, love mercy and walk humbly with your God.' Micah 6:8

Our Year 5 and 6 children have had an absolutely fantastic time at Eaton Vale this week. They have risen to lots of different challenges and pushed themselves out of their comfort zones, which has been wonderful to see.

Our schedule has been jammed packed with a variety of different activities everyday. On Monday, we started with kayaking, climbing wall and cave bus. After dinner, we finished with Eggbert's Escapades. Some of the children's highlights were Climbing Challenge, Raft Building and Clout Archery.

On Wednesday evening, we headed down to the campfire for an evening of singing and stories. The action songs were very catchy and the children thoroughly enjoyed it. We finished off the evening toasting marshmallows around the fire.

The staff have thoroughly enjoyed room inspections because the rooms were not only tidy but entertaining. The children entertained staff with songs, drama sketches and greetings to gain bonus points. Our Year 5 and 6 children have been a pleasure to have this week and Eaton Vale staff have commented on how polite, positive and fun they have been as they have fully embraced the activities everyday.

Here are a selection of photos for you to enjoy.
